

Dear Parent/Guardian

The Mathematics Department at the College offer free homework classes to all students on Tuesday and Thursday after school.

The homework classes take place in the **LC3 South Computer Lab** and run for approximately one hour, **from 3:00pm until 4:00pm**. All students are welcome to bring along unfinished work and get help from a teacher.

There is a sign-in register at each homework class to verify student attendance if necessary. It is expected that students who attend these classes arrange their own transportation home.

Please **CIRCLE** which classes you give your son/daughter permission to attend:

- Tuesday Homework Class –
Facilitating teachers: Nicole Haywood, Nathan Brown, Christine Sabier, and Olga Bode

- Thursday Homework Class –
Facilitating teachers: Jonathon Costley, Andrew Foster, and Felice Morris

- Or

- Both sessions**

This permission letter is valid for the 2020 school year.

Regards,

Christine Sabier
Mathematics Teacher
Ellenbrook Secondary College

Nathan Brown
Deputy Principal/Head of Mathematics
Ellenbrook Secondary College
