

CODE OF VALUES

The Code of Values aims to ensure a consistent approach to behaviour procedures across the College and that all Ellenbrook Secondary College (ESC) students have an opportunity to further develop their own values and belief system in a positive, supportive and encouraging environment.

Engagement

1. Be fully engaged in your own education experience, to the best of your ability
2. Allow and encourage others to fully engage in their educational experience
3. Behave appropriately so that all teachers can fully engage with the students in their class

Success

1. Access all resources appropriately to challenge yourself and achieve your personal best every day
2. Support peers and staff members, helping them in the pursuit of their own success and achievement
3. Contribute to the success of groups within the College and ESC as a community

Community

1. Show responsibility by continuously contributing to our community in a positive manner
2. Respect others in our community for their culture, gender, sexuality and heritage, understanding that we learn from supporting diversity
3. Reflect the values of the College within the wider community and always contribute in a positive manner
