

## Student Dress Code

The College Board has endorsed the dress code for all students attending this college and believes a dress code:

- Fosters and enhances the public image of the College.
- Ensures students are safely dressed for specific College activities.
- Encourages Equality amongst students.

Ellenbrook Secondary College seeks to promote a high standard of dress and personal presentation. It is a public school requirement that students comply with the Dress Code unless they have been granted an exemption. Other jackets or raincoats can be worn over the uniform on the way to College but must be removed on arrival. Any replacement pant, short or skirt items must be the same appearance as the College uniform items and Navy in colour. In particular, shorts and skirts must be worn at an appropriate length.
