Ellenbrook
Secondary College

Dear Parents and Carers,

Welcome to the 2027 school year at Ellenbrook Secondary College.

We extend a very warm welcome to families joining our College community and look forward to continuing our strong partnerships with returning families. We value the important role that parents and carers play in supporting student success and believe that working together creates the best outcomes for our young people.

At Ellenbrook SC, we are committed to providing high quality teaching and learning experiences that enable every student to thrive academically, socially and emotionally. Our goal is to develop confident, resilient and capable young people who are well prepared for their future pathways and can make positive contributions to their community.

We believe all students can achieve success when supported within a safe, inclusive and engaging learning environment. We strive to challenge and inspire our students to reach their full potential while fostering creativity, independence and a lifelong love of learning.

This letter accompanies information regarding the Contributions and Charges for the 2027 school year. We are providing this information well in advance to assist families with planning and budgeting, recognising the many financial commitments that households manage throughout the year.

Contributions and charges play an important role in supporting the delivery of quality educational programs and learning opportunities for our students. Every effort has been made to ensure these costs remain reasonable and represent value while maintaining the high standards of education and experiences available to our students.

As contributions and charges are calculated on the basis that payment is made for every student, we encourage families to make payments as early as possible. Flexible payment plans are available, and we are happy to work with families to arrange a suitable option. Please contact accounts on 9297 9700 or via email at ellenbrook.sc.accounts@education.wa.edu.au for assistance.
